KD10 Self Counting Table Drop Box

No more daily drop or counterfeit bills when using this high-speed, smart safe on tables. Designed to fit flush, Dealers feed bills into the Validator eliminating counterfeits. With a read speed of 5 notes per second, the game stays on track. The bill moves to a drop bag or a 2000 note cassette inside the safe. At end of shift, total bill count is easy to read on the 4.3" color touch screen display and prints a receipt for audit. This safe eliminates the need to perform a full table drop while allowing for a multi shift accounting of funds.
